2nd Annual Founders Cup NFL Alumni Charity Golf Classic

First Step Home needs your help!

First Step Home, which provides residential substance abuse treatment for women and their children, announces the 2nd Annual Founders Cup NFL Alumni Charity Golf Classic benefiting First Step Home, to be held Monday, August 25th, at the Western Hills Country Club. The event begins at 11:00am on August 25th, with registration and lunch followed by a shot-gun start at 12:30 p.m.

We need your help with sponsorship, playing groups or auction items. Your assistance in providing support will guarantee the success of the event and continuance of our mission for the women of First Step Home.

The NFL Alumni Charity Golf Tournament will be a two day event that includes a uniquely scored team scramble and a pairings dinner the evening prior to the golf. Each foursome will be paired with an NFL Alumni representative. The event will include lunch, cocktails, awards banquet on the day of the event and a special invitation to the Elizabeth Raymond Awards and pairings dinner to be held on the Sunday night preceding the event at Western Hills Country Club.

The winning team will advance to the Super Bowl of Golf, the NFL Alumni's National Championship Golf Tournament, which will be held in the spring of 2009 at a top rated golf resort. They will compete against the winners of the other Chapter Tournaments for the Super Bowl of Golf Ring, a massive gold circlet ring patterned on the NFL's own Championship Ring.

Help us by becoming a sponsor or placing a team in the event. Sponsor and playing fees are available on our website, www.firststephome.org. Call us at 513-961-4663 if you need additional assistance.

Sincerely,

Margo Spence
President/CEO
